November 1900 laying down that the Con-

applies to Government officials of all De-

advances have been made to the officials
of the D. P. W. on requisition from the
Executive Engineer, Shimoga Division
before the receipt of this letter, on the
understanding that the rule applied to
all officials generally. Similar advances
were granted to officials of the three Civil
Courts and of the Educational Department

analogous to those sanctioned under
Section 137 of the Civil Account Code

Sir,

With reference to your docket No. Pg:709 dated 12th December 1900 forwarding copy of letter No. 507-2/8 407 dated 8th December 1900 from the Deputy Commissioner Shimoga District re advances made to officials for constructing sheds outside of towns and villages declared to be plague infected. I have the honour to state that Government Pro. No. Pg:1144.53 dated 6th December 99 lays down clearly the conditions under which these advances are to be made and adjusted.

(2) Art. 137 of the Civil Account Code Vol. I, applies only to cases of advances made to Officers for building suitable houses for their own occupation in localities where house accommodation is difficult and very costly to obtain and I fail to see any analogy between the two kinds of advances.

I have the honour to be,

Sir,

Your most obedient servant,

Comptroller.

From

Comptroller, Mysore Government.

To

The Secretary to the Govt. of Mysore,

General and Revenue Dept.

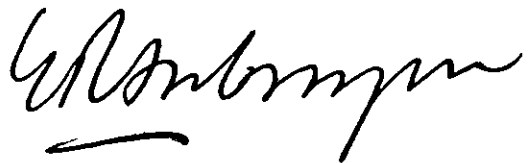

SIR,

With reference to your docket No. Pg812 dated 28th December 1901 requesting me to state whether a separate allotment from Plague funds is necessary in 're the advances made to officials for constructing sheds outside of towns & villages declared to be plague infected or whether the Deputy Commissioner Shimoga District is right in making such advances from general Revenues without any special allotment from Plague Funds, I have the honor to submit that the procedure adopted by the Deputy Commissioner is correct and that the amount may be treated as advances recoverable to be recovered in three monthly instalments as laid down in para 2 of Govt: Pro: No. P.G. 1144-53 dated 6th February 99.

I have the honor to be

Sir

Your most obedient servant

Comptroller

Submitted to Secretary for orders

In Cont. Pro: no 590-627
of 21st Nov 1900 (Serial no 13) it
was observed that the Concession
allowed in Cont. Pro no 1114-53 of
6th Feb 1899 (Serial no 8) for the grant
of advances to Officials for building
temporary sheds outside an infected
Town was applicable to all Cont.
Officials, & the Plague Commissioner
was requested to place at the
disposal of the Dy Commissioner such
sum as might be required for
the purpose.

The Dy Commissioner thereupon stated
(Serial no 17) that these advances were
being treated as analogous to
those sanctioned by Article 137
of the Civil Account Code & that
no separate allotment seemed
necessary but at the same time
inquired if the procedure adopted
by him was ~~correct~~ wrong &
if steps should be taken to correct
it.

The Comptroller whose opinion
was called for on the subject (Serial
no 24) says that the procedure
adopted by the Dy Commissioner is correct.

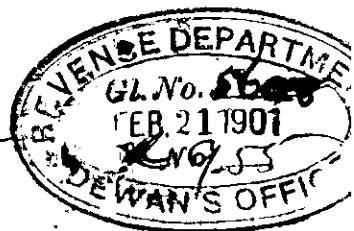

A copy of the Comptroller's letter
may therefore be forwarded to
the Dy Commissioner. *22 Feb 1901*
